Pancake Potpourri — Perfect

This recipe for pancake potpourri may be your best friend -- especially when you're stuck for an easy, low cost supper idea. Pancake mix gets you off to a quick start; sprinkle the cakes with pieces of diced bologna, whole kernel corn or sliced ripe olives as they bake. Serve in stacks, topped with a rich curried cheese sauce, and ENJOY!

PANCAKE POTPOURRI
Makes 6 servings

Pancakes:
1 cup pancake mix
1 cup milk
1 egg
1 tablespoon shortening
1 cup (about 4 oz.) diced bologna
½ cup whole kernel corn, well drained or ½ cup sliced ripe olives, well drained

Curried Cheese Sauce:
2 tablespoons butter or margarine, melted
2 tablespoons all-purpose flour
¼ teaspoon curry powder
½ teaspoon salt
1 cup milk
1 cup grated sharp Cheddar cheese

For pancakes, heat griddle to hot (400°F.). Place pancake mix, milk, egg and melted or liquid shortening in bowl. Stir until batter is fairly smooth. Pour batter onto hot, lightly greased griddle. Sprinkle bologna pieces over eight pancakes. Sprinkle tablespoonful corn or olives over each remaining pancake. Serve immediately with Curried Cheese Sauce (see below).

For sauce, combine butter, flour, curry powder and salt; mix well. Gradually stir in milk. Cook, stirring constantly over medium heat until thickened. Add cheese; reduce heat to low and cook, stirring constantly until cheese is melted.

FBLA Holds First Meeting

The Appomattox County High School Cafeteria was the meeting place for the Future Business Leaders of America on October 16, 1974.

The meeting was called to order by Sheila Franklin, President. Various items on the agenda were carried through and Carla Varner announced her resignation as chapter secretary. Due to greater responsibilities as State FHA President, she felt it necessary to resign. Grace Ranson was elected as our new secretary.

The program for this meeting consisted of a presentation on parliamentary law and its correct usage in a meeting. The presentation was delivered by Mr. Dennis Torrence, FFA Advisor and six FFA members.

This program proved to be very informative.

Upon completion of the program, the meeting was adjourned.

Ecology Program Presented

Mr. Cornell B. Goldman presented a program on Ecology Counts at the November meeting of the Future Homemakers of America at Appomattox County High School.

Mr. Goldman told us that a clean up campaign may help to start cleaning our community but it takes all of us together to complete the job. Cleaning needs to start around the home, in Appomattox County and then made national. He also gave a slide presentation which showed littered areas and then beautiful scenes. Positive attitudes have to be taken. This week is Carla Varner's State FHA project clean up week, Appomattox is a beautiful town. Let's help keep it that way!
